# APBHT

## 2025 Employee Benefits

Welcome to your open enrollment period! Open enrollment is a once-a-year opportunity for you to customize your benefits for the next plan year, such as waiving coverage, adding or dropping dependents and making other benefits changes such as the HSA.

The Open Enrollment period for your company starts **November 25, 2024**, and ends **December 13, 2024**.

**For enrollment outside this period, please see Human Resources.**

Please take a few minutes to review this memo so you are aware of any changes and actions items you need to complete. Your next opportunity to make enrollment changes will not be until next year's open enrollment period, unless you have a qualifying event (i.e., marriage, birth, adoption, or loss of health coverage).

### Making informed decisions for Open Enrollment

To help make informed decisions about your benefit options during the Open Enrollment period, review benefit summaries, plan costs and annual notifications. Below is a brief overview of what is changing this year, as well as action items you need to do. You can also review your benefit details by visiting the company's Landing Page and Open Enrollment Guide at:

<https://online.flippingbook.com/view/1029022689/>

### What's New or Changing?

- 1. Medical, Rx:** No changes to current benefits.
- 2. Dental:** No changes to current benefits.
- 3. Basic Life/AD&D:** No changes to current benefits.

### Action Items

- **All employees who waive coverage need to complete a waiver form.**
- **All Benefits:** It is not necessary to complete new enrollment forms during open enrollment unless you are making changes to your benefits, and/or adding or dropping dependents.

*Please keep in mind there are typically changes to the premiums; please contact your HR Representative for detailed Benefits information.*

### Remember...

Open Enrollment is also the time to add/drop any dependents if necessary. Remember that the choices you make during open enrollment will take effect on **January 1, 2025**, and will remain in effect until **December 31, 2025**. Only qualifying events will allow you to make a change before that date.

Please submit all forms to **Human Resources** no later than **December 13, 2024**. Should you have any questions about your benefits or questions in general, contact Kim Pigg, your plan administrator.

Your needs, and those of your family, are unique to you. That's why we provide a comprehensive and flexible benefits program that you can customize to fit your personal situation. Our program offers you and your family important healthcare coverage and financial security.

Some of the benefits we offer are paid for in full by the company. For others, it is a shared contribution between you and the company.

Your benefits are an important part of your total compensation. Please take the time to review and evaluate all the options available to you and your family.

# Eligibility

## Who is Eligible?

Generally, you are eligible for benefits if you are:

- An active full-time employee working **30** or more hours per week

**Your dependents** are eligible and include:

- Your legal spouse or domestic partner
- You and/or your spouse/domestic partner's child(ren) up to age 26\*
- Your disabled child(ren) up to any age (if disabled prior to age 19)

\* Includes natural, stepchildren who live with you, legally adopted/or a child placed for adoption, or a child under your legal guardianship

## When Does Coverage Begin?

Benefits for new hires, unless explained otherwise, will become effective **on the first of the month following 30 days**.

## When Can You Enroll in Benefits

You can enroll for benefits:

- When you are initially eligible for coverage; you have a certain number of days from the date you are eligible for coverage to submit your enrollment.
- During the annual Open Enrollment period.
- During the plan year, if you experience a Qualifying Life Event.

## Termination of Coverage

If you or a covered dependent no longer meet the eligibility requirements or if your employment ceases, your Medical/RX/Vision and Dental coverages will end on the last day of the month in which you become ineligible.

You may be eligible to elect COBRA for yourself and your eligible dependents for Medical/RX/Vision and Dental coverages.

Basic Life/AD&D coverages will end on the day you become ineligible. Your life coverages are convertible.

You are responsible for informing Human Resources within **30 days** if any of your dependents become ineligible for benefits.

### NOTE

Federal regulations require your company to obtain the following information during enrollment:

- Social Security numbers for your dependents covered by the medical plan
- Dates of birth and your relationship to your dependents

# Domestic Partners

Domestic partners and eligible children may enroll in some benefits. To enroll your domestic partner and children, you must provide:

- Affidavit of Domestic Partnership (or Registered Domestic Partner Certificate)
- Appropriate documentation outlined by Human Resources

## Cost of Coverage

Contribution toward the cost of coverage for your domestic partner and his or her dependents is considered taxable income to you.

Domestic partner premiums will be either be deducted on a post-tax basis or imputed as income based on the value of coverage. You may wish to consult with a tax adviser for more information.

## What Benefits are Available?

Domestic partners are eligible for:

- Medical
- Dental
- Vision

Domestic partner's expenses under the HSA are generally not considered qualifying medical expenses.

## Termination of Coverage

You are responsible for informing Human Resources within **30 days** if any of your dependents become ineligible for benefits.

Domestic partners are not generally eligible for continuation of coverage. See your plan documents or contact Human Resources for more information.

## Making Benefit Changes During the Plan Year

The benefit elections you make during your initial enrollment period will be in effect through the end of the plan year. If you have a "qualifying life event," you may make changes to certain benefits if you apply for the change and provide supporting documentation to Human Resources within 30 days of the event. Proof of life events is subject to approval by your company. Documentation is required to be submitted timely. Changes are effective prospectively unless the event is for birth, adoption, or placement for adoption.

## Qualifying Events

### Change in Marital Status

- Marriage
- Divorce
- Death of your spouse

### Change in Dependents

- Birth, adoption or placement for adoption of an eligible child (retroactive to the date of the event)
- Death of your covered dependent
- Loss of Medicare or Medicaid during the year

### Change in Employment

- Change in you or your spouse's work status that affects benefits eligibility
- Your spouse's Open Enrollment differs from yours
- Relocation if the move impacts access to coverage

*Other qualifying events may also apply. Please contact Human Resources.*

# How a Health Plan Works

## Premium

A premium (also referred to as a contribution) is the cost you pay for health insurance, whether you use medical services or not. Premiums are deducted directly from your paycheck.

## Copay/Copayment

A fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service (sometimes called “copay”). The amount can vary by the type of covered health care service.

## Deductible

An amount you could owe during a coverage period (usually one year) for covered health care services before your plan begins to pay. An overall deductible applies to all or almost all covered items and services. A plan with an overall deductible may also have separate deductibles that apply to specific services or groups of services. A plan may also have only separate deductibles. (For example, if your deductible is \$1000, your plan won't pay anything until you've met your \$1000 deductible for covered health care services subject to the deductible.)

## Out-of-Pocket Maximum

Yearly amount the federal government sets as the most each individual or family can be required to pay in cost sharing during the plan year for covered, in-network services. Applies to most types of health plans and insurance. This amount may be higher than the out-of-pocket limits stated for your plan.

## Coinsurance

Your share of the costs of a covered health care service, calculated as a percentage (for example, 20%) of the allowed amount for the service. You generally pay coinsurance plus any deductibles you owe. (For example, if the health insurance or plan's allowed amount for an office visit is \$100 and you've met your deductible, your coinsurance payment of 20% would be \$20. The health insurance or plan pays the rest of the allowed amount.)

# Medical Plan

**APBHT** offers medical benefits through **Premera Blue Cross Blue Shield of Alaska** with the following features:

- Option to receive care from in-network or out-of-network providers; higher benefits are paid when using in-network providers.
- Preventive care is covered at 100% when using an in-network provider.
- Includes prescription drug coverage.
- Deductibles and out-of-pocket maximums accumulate on a calendar/plan year.
- If you enroll in the HSA plan, you can open and contribute to a Health Savings Account (HSA) to help cover some of your medical plan costs (refer to HSA section for more information).
- Always refer to your plan booklet for specific benefit levels and limitations.

## How to Find a Doctor

Find a Doctor, Dentist, and more at [www.premera.com](http://www.premera.com). Login to your Premera account and click the “Find a Doctor” tab in the upper left-hand corner. Follow the online instructions to perform a general search. Or go mobile with Premera Mobile app (available for Windows Phone, Android, and iPhone). Premera Mobile allows one touch access to finding doctors and urgent cares facilities, customer service, 24-Hour NurseLine, etc.

## A Note About Health Care Reform

If you choose to purchase individual coverage through the Marketplace, you should know that because the company’s medical insurance meets specific ACA requirements, you may not be eligible to receive a federal subsidy.

Additional information is available at [www.healthcare.gov](http://www.healthcare.gov).

# myCare Alaska

## Primary and urgent care are available virtually!

Getting care is as easy as sending a text message. You can connect with a doctor in seconds from any computer or mobile device. A doctor will reply in less than 60 seconds.

- Available from anywhere you can access the internet, 24 hours a day and 7 days a week.
- This is a text-based virtual care program that allows you to securely message, send photos, or video chat with a doctor instantly.
- Ask general or urgent medical questions from your desk - no need to go into a medical office.

**Get started at [mycarealaska.com](https://mycarealaska.com)**

## When should I use myCare Alaska?

Use myCareAlaska when you:

- Feel sick, but it's not an emergency\*
- Have a minor injury
- Have general medical questions
- Want to refill a prescription
- Are not sure where to go to get care

Examples of conditions to discuss:

- Coughs, fevers, sore throat
- Earaches, stomach pain, diarrhea
- Rashes, allergic reactions, animal/insect bites
- Back/abdominal pain
- Sports injuries, burns, heat-related illness
- Urinary tract infections
- Urgent or general health questions

*\*You should always call 9-1-1 for medical emergencies. A medical emergency is an event that you reasonably believe threatens you or someone else's life or limb in such a manner that immediate medical care is needed to prevent death or serious impairment of health.*

# Where to Seek Care

## Doctor On Demand

*For Primary/Urgent Care and Mental Health options*

A video or phone-based consultation with a board-certified doctor. Doctor on Demand board-certified physicians offer consultation similar to what a patient gets in a face-to-face office visit. Physicians can send a prescription to the member's preferred pharmacy, if it is medically necessary. Doctor on Demand can send records of the consultation by fax or electronic medical record transfer to your primary care doctor for continuity of care with a local doctor.

Medical doctors are available on demand everyday, holidays included. Get care from home, or on the road.

Think of Doctor On Demand as your first stop for everyday care. Example of what Doctor On Demand treat:

- Cold & Flu
- Sinus Infections
- Urinary Tract Infections
- Allergies
- Anxieties & Depression, and much more

For more information, visit the Doctor on Demand website at:

[www.doctorondemand.com/premera](http://www.doctorondemand.com/premera)

## Talkspace: Therapy as Close as Your Phone

*For Mental Health options*

Premera believes behavioral health is critical to their member's overall health and well-being. Talkspace is available by live, face-to-face video appointments and text messaging. Text messaging means a therapist will respond quickly, usually in less than a day. Talkspace provides access to 5,000 licensed therapists by video and text messaging regardless of date, location, or time of day.

Virtual behavioral health therapy sessions will have the same cost shares as equivalent to face-to-face visits, as described in your benefit plan.

Here's how to access Talkspace:

- Sign up for Talkspace at [talkspace.com/premera](http://talkspace.com/premera)
- You will then be shown the 3 best matches for your needs, and you will choose a therapist.
- Once you've selected your therapist, you can start messaging with their therapist right away. Please know, Talkspace is not a live chat where an immediate response will happen from your therapist.

## Where to Seek Care (Continued)

### Premera's 24-Hour Nurse Line

Registered Nurses are trained to offer advice, guidance and support to members and their families. RNs are trained to ask the right questions to make a recommendation about when or where a member should seek treatment for an injury or illness. RNs also have access to high-quality health resources and will listen to members' concerns, answer questions, and offer advice about many health-related topics.

- Free and confidential service
- Available 24 hours a day, 7 days a week
- Available in English, Spanish and 140+ additional languages
- The contact number can be found on the back of your ID card

### Boulder Care

*For Substance use disorder*

Boulder Care offers telehealth treatment for opioid use disorder and alcohol use disorder.

Participants can connect with their providers from anywhere through secure video and messaging on the Boulder App.

Teams of care providers collaborate to support participants with expert medical care, peer recovery coaching, and care coordination.

Get started at <https://boulder.care/getstarted>

### Premera Medical Travel Support

Premera understands the price of medical care may be lower outside of Alaska and offers Medical Travel Support. With approval, this feature helps you obtain care at in-network hospitals and surgical centers across the United States.

- Member and one companion; pre-authorization required
- Air: 1 round-trip per episode
- Surface transportation & parking: \$35/day
- Ferry transportation: \$50 per person each way
- Lodging: \$50/day per person
- Travel: in-network deductible, then 0%
- Medical procedures: covered as any other service

**Contact Premera at 800-364-2994 to learn more.**

### Workit Health

*For Substance use disorder*

Workit Health offers telehealth treatment for opioid use disorder and alcohol use disorder.

Quit alcohol, drugs, smoking, or other addictions with online therapy in the Premera network.

Just like a traditional rehab, you will meet with clinicians, stay on track with coaching, join recovery groups, and complete addiction courses built by experts – all from the privacy of your own home.

For more information, go to <https://www.workithealth.com/premera>

## My Rx Choices

Pharmacy costs are increasing every year. To help you get the most for your money, do some comparison shopping with My Rx Choices on [Premera.com](https://www.premera.com).

My Rx Choices is an online price-comparison tool. It allows you to:

- Compare costs of your current medications
- Find generic or lower-cost, preferred brand-name alternatives
- See how much you could save with a lower-cost drug choice

# Premera Designated Centers of Excellence

This benefit program includes enhanced services that support you and your dependents when you seek care from a Premera Center of Excellence (COE) provider. Premera Blue Cross Blue Shield of Alaska has selected Virginia Mason Medical Center in Seattle as a Premera Designated Center of Excellence (PDCOE) to provide certain specialty medical services for you.

## What's included

- Access to three of the most common specialty procedures:
  - Total joint replacements (knee and hip)
  - Spine surgeries
  - Gynecological procedures
- Bundled payment arrangements for eligible specialty medical procedures which include:
  - Pre-surgical consultations and related services
  - Hospitalization, surgery, and related inpatient care
  - Post-surgical checkups
- If you are not on a qualified high-deductible health plan deductible, the employee cost share is waived.
- Predictive analytics, targeting, and outreach to identify eligible members, increase awareness, and educate members on the benefits of using a PDCOE provider for eligible services.
- Air travel for you and a companion, black car services from airport to hotel, and lodging at a select Virginia Mason Hotel (up to IRS limits).
- Dedicated care coordination from Premera medical travel experts and Clinical Programs clinicians during and after your procedure.

## High-quality care

Virginia Mason is rated in the top one percent of healthcare facilities in the nation. Its network of specialty care medical centers and providers offer superior treatment results.

When you need one of the qualifying procedures, Premera will use predictive analytics to engage them at the right time and encourage them to seek high-quality, affordable care at Virginia Mason.

## Fair prices

Cost for the same healthcare procedure can vary greatly from one provider to the next, this is why Premera is collaborating with providers to help eliminate unpredictable prices.

Premera Designated Centers of Excellence offer bundled rates for you who receive the specialty procedures covered by this benefit. A bundled rate is one lump sum for pre- and post-appointments and all related surgery costs.

Bundled rates help manage healthcare costs. They also help you know you are paying a fair price for the care you need. Plus, certain cost shares are waived for non-qualified preferred provider organization (PPO) health plans and qualified high-deductible health plans.

## Premera makes it easy

- A medical travel expert will help answer your questions about eligibility, covered services and costs. They will also provide travel assistance, including making travel arrangements and handling travel prepayments.
- A Premera clinician will coordinate your out-of-state care with Virginia Mason, before, during, and after your procedure.

**Call Premera Customer Service to begin your coordination of travel at 800-508-4722.**

For Alaska members who want to stay in state for Total Joint Replacements, through a new partnership, Providence Alaska provides ambulatory surgery services at Creekside Surgery Center in Anchorage.

**New Centers may be added so be sure to contact Premera for the most up to date information**

# Emergency Care vs. Urgent Care

When you need help in a hurry, you have choices. Of course, when it's a **life-threatening problem, you should call 911 or go straight to the nearest hospital emergency room (ER).**

In the ER, true emergencies are treated first, so unless your life is in danger, you'll wait - sometimes for hours. The ER is also the most expensive option for care.

For non-life-threatening problems, call your doctor, access virtual care services or go to an urgent care center.

## Go to Emergency Room

- Heart attack or stroke
- Chest pain or intense pain
- Shortness of breath
- Severe abdominal pain
- Head injury or other major trauma
- Loss of consciousness
- Major burns or severe bleeding
- One-sided weakness or numbness
- Open fractures
- Poisoning or suspected overdose

or

## Go to Urgent Care

- Moderate fever
- Colds, cough or flu
- Bruises and abrasions
- Cuts and minor lacerations
- Minor burns and skin irritations
- Eye, ear, or skin infections
- Sprains or strains
- Possible fractures
- Urinary tract infections
- Respiratory infections

# Health Savings Account (HSA)

A Health Savings Account (HSA) is a tax-advantaged savings vehicle available to individuals covered by a High Deductible Health Plan (HDHP). Funds in the account are used to pay for qualified medical, dental and vision expenses.

An HSA is a great way to save for the future. You can set aside money from each paycheck now and save funds to cover healthcare expenses that come up later. Plus, your contributions are free from federal income tax, so you're stretching your healthcare dollars while lowering your taxable take-home pay amount.

HSA funds can only be used for yourself, your spouse and your taxable dependents. Expenses for domestic partners and/or other dependents who do not qualify as tax dependents are not reimbursable under the HSA.

## ADVANTAGES OF AN HSA

- Balance rolls over each year so you won't lose your contributions
- Triple tax savings – you do not pay federal tax\* on:
  - Contributions to the account
  - Spending on qualified expenses
  - Interest that accrues
- Account is portable, so the funds are yours even if you change medical plans next year or leave the company
- Use the funds (now or in the future) for eligible medical, dental or vision expenses, including coinsurance costs, prescriptions, glasses, orthodontia and more
- Money left in the savings account earns tax-free interest\*

*\*Tax treatment of HSAs for state tax purposes may vary by state.*

# Health Savings Account (HSA)

(Continued)

## Funding and Enrolling in an HSA

To enroll in an HSA, you must enroll in the HDHP plan option. You can open an HSA account through a financial institution of your choice; however, you would have to make after-tax contributions, they would not be automatically deducted from your paycheck, and you would need to claim those contributions as a tax deduction when you file your taxes.

Once your HSA is opened, remember to designate a beneficiary for this account.

### IMPORTANT

If you use your HSA funds for non-qualified expenses, the purchase amount will be subject to tax, plus a 20% penalty if you are younger than age 65.

## HSA Contributions and Limits

Each year, you can contribute up to the IRS annual limit for HSAs.

	2024 IRS CONTRIBUTION LIMIT	2025 IRS CONTRIBUTION LIMIT
<b>Employee Only</b>	\$4,150	\$4,300
<b>Employee + Dependents</b>	\$8,300	\$8,550
<b>Employee 55+ Over</b>	Additional \$1,000 per year as catch-up	Additional \$1,000 per year as catch-up

## Who Can Open an HSA?

You can contribute to an HSA if you:

- Are covered under an HSA-qualified high deductible health plan (HDHP).
- Are not enrolled in Medicare\*, TRICARE or TRICARE for Life.
- You are not covered by another major medical plan, including the plan of your spouse or parent.
- Cannot be claimed as a dependent on someone else's tax return.
- Have not received Veterans Affairs (VA) benefits within the past 3 months
- You (or your spouse) do not contribute to a Health Care FSA.

*\* Enrollment in Medicare Part A may be retroactive by up to 6 months when you begin taking social security retirement after your Social Security Normal Retirement Age (SSNRA). This may affect your HSA eligibility.*

Other restrictions and exceptions may also apply.

For more information, visit

<https://www.irs.gov/forms-pubs/about-publication-969>.

# How to Save

## When Using Your Medical and Prescription Plans

### Use In-Network Doctors

By using in-network doctors, clinics, hospitals and pharmacies, you pay the lowest cost for care. When you visit out-of-network doctors, our health plan covers less of the cost.

### Choose the Right Type of Care

When you need care, know your options. Urgent care centers, online doctor visits or a call to the medical plan nurse line can help save time and money.

Use freestanding imaging centers for MRIs, CT Scans and other imaging can help save money. Just be sure they are in-network.

### Use Your Preventive Care Benefits

Most preventive care services are covered at 100% when you use in-network providers. Getting regular exams, screenings and immunizations can save you a lot of money in the long run by catching problems early or preventing them altogether.

### Use Mail Order Program

Rather than visiting a pharmacy month after month, save time by having the medication delivered to your home.

Through Mail Order Program, you can also save money by getting up to a 90-day supply for less than what you would pay through a retail pharmacy. And because shipping is free, you'll also save on gas money!

### Ask Your Doctor for Generic Drugs

The next time you need a prescription, ask your doctor if it is appropriate to use a generic drug rather than a brand name drug. Generic drugs contain the same active ingredients, are identical in dose, form and administrative method AND are less expensive than their brand name counterparts.

If you must take a brand name drug, ask your doctor for samples or coupons. Also check the drug manufacturer's website for available rebates and discounts.

### Search for Cheaper Prices

Drug prices sometimes vary significantly between pharmacies, but did you know you can locate potentially less expensive Rx prices by searching online? There are resources available online for prescription discount, including offers from the medication manufacturer. Finding these resources is easy- simply search "prescription discount programs" to locate an offer or visit the manufacturer's website to see if a coupon is available.

*\*\*Please Note\*\* Rx discount programs are alternate suggestions and are not in conjunction with your Medical/Rx benefits or Employer. Please be sure to compare all costs; any expenses utilized for a prescription discount program are not applied to your Out-of-Pocket maximum totals.*

### Ask Your Pharmacy for the Cash Price

Call and ask your pharmacy for the cash price of a prescription drug. Sometimes these prices are lower than the prescription drug plan copay.

# Dental Plan

The Dental benefit is only available to those eligible employees enrolling in the Medical benefit.

APBHT offers dental benefits through **Premera Blue Cross Blue Shield of Alaska**. Your choice of dentists can determine the cost savings you receive. In-Network providers are paid directly by **Premera** and agree to accept negotiated fees as “payment in full” for services rendered.

When you use out-of-network providers, **Premera** will apply the applicable percentage of the allowed amount, and you are responsible for paying the balance of the bill.

In-network coverage is provided when you use **Premera network** providers.

## How to Find a Dentist

## IMPORTANT

If you do not enroll in dental benefits when you are first eligible, you will become a late entrant. Late entrants will only be eligible for exams, cleanings and fluoride applications for the first 12 months they are covered.

## Basic Life/AD&D

**Please check with your station manager to see which class you are covered under.**

Having appropriate life insurance coverage is a critical part of planning for your family's current and future financial needs. Proceeds from life insurance can help with salary replacement, mortgage protection, cost of childcare, debt repayment and children's education expenses.

A Basic Life insurance policy is provided to you at no cost through **Symetra**. You are automatically enrolled in this benefit. This coverage includes an Accidental Death and Dismemberment (AD&D) provision, at the same coverage amount, in the event of accidental death and other conditions. Please refer to the benefit summary for details. The Life/AD&D benefit is only available to those eligible employees enrolling in the Medical benefit.

- Class 1: 1x annual earnings up to \$100,000
- Class 2: \$20,000
- Class 3: \$5,000

Benefit amounts reduce at age 65/70. Please refer to the benefit summary for details.

According to federal law, only the first \$50,000 of employer-paid life insurance is not taxable. Premium paid by the company for coverage levels over \$50,000 will be taxable to you and will be included on your year-end W-2 statement.

### What is Life Insurance?

- A lump sum payment distributed to beneficiaries upon death of the insured or insureds
- Reassurance that your loved ones would be financially secure if you passed away unexpectedly
- Ability to assist with funeral costs - the average funeral cost is \$10,000

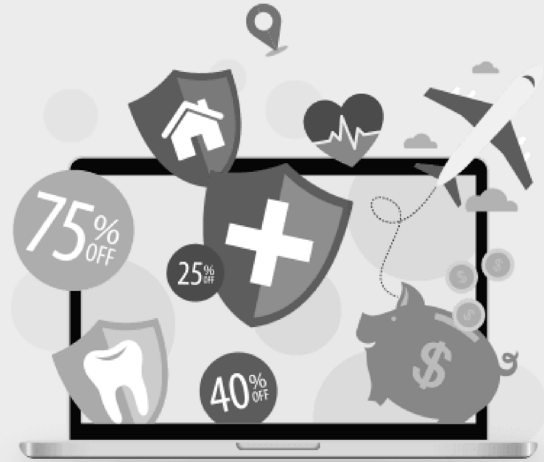

### Reminder! Update your Beneficiaries!

Plan for your expected and unexpected life changes by ensuring you and your family are protected. Update your beneficiaries now and keep them current each year.

# Open enrollment: Glossary of terms

## Understanding the language of benefits

Benefits can be complex. Which is why it's important for you to educate yourself on how they work and what you need to know to not only choose the right plans during enrollment, but use them cost effectively throughout the year.

To be successful, you'll need to understand the language of benefits. This glossary of the most commonly used terms will help. It highlights the basic concepts and definitions you'll need to know to get the most from your health plans, spending accounts, life and disability insurance and more. As you review your employer's benefits information, we recommend keeping it handy so you can make the best decisions when the time comes to elect your benefits and access healthcare services.

<b>Allowed amount</b>	This is the maximum payment the plan will pay for a covered health care service. May also be called "eligible expense," "payment allowance," or "negotiated rate."
<b>Appeal</b>	A request that your health insurer or plan review a decision that denies a benefit or payment (either in whole or in part).
<b>Balance billing</b>	When a provider bills you for the balance remaining on the bill that your plan doesn't cover. This amount is the difference between the actual billed amount and the allowed amount. For example, if the provider's charge is \$200 and the allowed amount is \$110, the provider may bill you for the remaining \$90. This happens most often when you see an out-of-network provider (non-preferred provider). A network provider (preferred provider) may not balance bill you for covered services.

<p><b>Claim</b></p>	<p>A request for a benefit (including reimbursement of a health care expense) made by you or your health care provider to your health insurer or plan for items or services you think are covered.</p>
<p><b>Coinsurance</b></p>	<p>Your share of the costs of a covered health care service, calculated as a percentage (for example, 20%) of the allowed amount for the service. You generally pay coinsurance plus any deductibles you owe. (For example, if the health insurance or plan’s allowed amount for an office visit is \$100 and you’ve met your deductible, your coinsurance payment of 20% would be \$20. The health insurance or plan pays the rest of the allowed amount.)</p>
<p><b>Complications of pregnancy</b></p>	<p>Conditions due to pregnancy, labor, and delivery that require medical care to prevent serious harm to the health of the mother or the fetus. Morning sickness and a non-emergency caesarean section generally aren’t complications of pregnancy.</p>
<p><b>Copayment</b></p>	<p>A fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service (sometimes called “copay”). The amount can vary by the type of covered health care service.</p>
<p><b>Cost sharing</b></p>	<p>Your share of costs for services that a plan covers that you must pay out of your own pocket (sometimes called “out-of-pocket costs”). Some examples of cost sharing are copayments, deductibles, and coinsurance. Family cost sharing is the share of cost for deductibles and out- of-pocket costs you and your spouse and/ or child(ren) must pay out of your own pocket. Other costs, including your premiums, penalties you may have to pay, or the cost of care a plan doesn’t cover usually aren’t considered cost sharing.</p>
<p><b>Cost-sharing reduction</b></p>	<p>Discounts that reduce the amount you pay for certain services covered by an individual plan you buy through the Marketplace. You may get a discount if your income is below a certain level, and you choose a Silver level health plan or if you're a member of a federally-recognized tribe, which includes being a shareholder in an Alaska Native Claims Settlement Act corporation.</p>

<p><b>Deductible</b></p>	<p>An amount you could owe during a coverage period (usually one year) for covered health care services before your plan begins to pay. An overall deductible applies to all or almost all covered items and services. A plan with an overall deductible may also have separate deductibles that apply to specific services or groups of services. A plan may also have only separate deductibles. (For example, if your deductible is \$1000, your plan won't pay anything until you've met your \$1000 deductible for covered health care services subject to the deductible.)</p>
<p><b>Diagnostic test</b></p>	<p>Tests to figure out what your health problem is. For example, an x-ray can be a diagnostic test to see if you have a broken bone.</p>
<p><b>Durable Medical Equipment (DME)</b></p>	<p>Equipment and supplies ordered by a health care provider for everyday or extended use. DME may include: oxygen Health Insurance equipment, wheelchairs, and crutches.</p>
<p><b>Emergency medical condition</b></p>	<p>An illness, injury, symptom (including severe pain), or condition severe enough to risk serious danger to your health if you didn't get medical attention right away. If you didn't get immediate medical attention you could reasonably expect one of the following: 1) Your health would be put in serious danger; or 2) You would have serious problems with your bodily functions; or 3) You would have serious damage to any part or organ of your body.</p>
<p><b>Emergency medical transportation</b></p>	<p>Ambulance services for an emergency medical condition. Types of emergency medical transportation may include transportation by air, land, or sea. Your plan may not cover all types of emergency medical transportation, or may pay less for certain types.</p>
<p><b>Emergency room care / Emergency services</b></p>	<p>Services to check for an emergency medical condition and treat you to keep an emergency medical condition from getting worse. These services may be provided in a licensed hospital's emergency room or other place that provides care for emergency medical conditions.</p>
<p><b>Excluded services</b></p>	<p>Health care services that your plan doesn't pay for or cover.</p>
<p><b>Formulary</b></p>	<p>A list of drugs your plan covers. A formulary may include how much your share of the cost is for each drug. Your plan may put drugs in different cost-sharing levels or tiers. For example, a formulary may include generic drug and brand name drug tiers and different cost-sharing amounts will apply to each tier.</p>
<p><b>Grievance</b></p>	<p>A complaint that you communicate to your health insurer or plan.</p>

<p><b>Habilitation services</b></p>	<p>Health care services that help a person keep, learn or improve skills and functioning for daily living. Examples include therapy for a child who isn't walking or talking at the expected age. These services may include physical and occupational therapy, speech-language pathology, and other services for people with disabilities in a variety of inpatient and/or outpatient settings.</p>
<p><b>Health insurance</b></p>	<p>A contract that requires a health insurer to pay some or all of your health care costs in exchange for a premium. A health insurance contract may also be called a "policy" or "plan."</p>
<p><b>Home health care</b></p>	<p>Health care services and supplies you get in your home under your doctor's orders. Services may be provided by nurses, therapists, social workers, or other licensed health care providers. Home health care usually doesn't include help with non-medical tasks, such as cooking, cleaning, or driving.</p>
<p><b>Hospice services</b></p>	<p>Services to provide comfort and support for persons in the last stages of a terminal illness and their families.</p>
<p><b>Hospitalization</b></p>	<p>Care in a hospital that requires admission as an inpatient and usually requires an overnight stay. Some plans may consider an overnight stay for observation as outpatient care instead of inpatient care.</p>
<p><b>Hospital outpatient care</b></p>	<p>Care in a hospital that usually doesn't require an overnight stay.</p>

<b>In-network coinsurance</b>	Your share (for example, 20%) of the allowed amount for covered health care services. Your share is usually lower for in-network covered services.
<b>In-network copayment</b>	A fixed amount (for example, \$15) you pay for covered health care services to providers who contract with your health insurance or plan. In-network copayments usually are less than out-of-network copayments.
<b>Marketplace</b>	A marketplace for health insurance where individuals, families and small businesses can learn about their plan options; compare plans based on costs, benefits and other important features; apply for and receive financial help with premiums and cost sharing based on income; and choose a plan and enroll in coverage. Also known as an “Exchange.” The Marketplace is run by the state in some states and by the federal government in others. In some states, the Marketplace also helps eligible consumers enroll in other programs, including Medicaid and the Children’s Health Insurance Program (CHIP). Available online, by phone, and in-person.
<b>Maximum Out-of-pocket limit</b>	Yearly amount the federal government sets as the most each individual or family can be required to pay in cost sharing during the plan year for covered, in-network services. Applies to most types of health plans and insurance. This amount may be higher than the out-of-pocket limits stated for your plan.
<b>Medically necessary</b>	Health care services or supplies needed to prevent, diagnose, or treat an illness, injury, condition, disease, or its symptoms, including habilitation, and that meet accepted standards of medicine.
<b>Minimum essential coverage</b>	Minimum essential coverage generally includes plans, health insurance available through the Marketplace or other individual market policies, Medicare, Medicaid, CHIP, TRICARE, and certain other coverage. If you are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.
<b>Minimum value standard</b>	A basic standard to measure the percent of permitted costs the plan covers. If you’re offered an employer plan that pays for at least 60% of the total allowed costs of benefits, the plan offers minimum value and you may not qualify for premium tax credits and cost-sharing reductions to buy a plan from the Marketplace.
<b>Network</b>	The facilities, providers and suppliers your health insurer or plan has contracted with to provide health care services.
<b>Network provider (Preferred provider)</b>	A provider who has a contract with your health insurer or plan who has agreed to provide services to members of a plan. You will pay less if you see a provider in the network. Also called “preferred provider” or “participating provider.”
<b>Orthotics and prosthetics</b>	Leg, arm, back and neck braces, artificial legs, arms, and eyes, and external breast prostheses after a mastectomy. These services include: adjustment, repairs, and replacements required because of breakage, wear, loss, or a change in the patient’s physical condition.

<b>Out-of-network coinsurance</b>	Your share (for example, 40%) of the allowed amount for covered health care services to providers who don't contract with your health insurance or plan. Out-of-network coinsurance usually costs you more than in-network coinsurance.
<b>Out-of-network copayment</b>	A fixed amount (for example, \$30) you pay for covered health care services from providers who do not contract with your health insurance or plan. Out-of-network copayments usually are more than in-network copayments.
<b>Out-of-network provider (Non-preferred provider)</b>	A provider who doesn't have a contract with your plan to provide services. If your plan covers out-of-network services, you'll usually pay more to see an out-of-network provider than a preferred provider. Your policy will explain what those costs may be. May also be called "non-preferred" or "non-participating" instead of "out-of-network provider."
<b>Out-of-pocket limit</b>	The most you could pay during a coverage period (usually one year) for your share of the costs of covered services. After you meet this limit the plan will usually pay 100% of the allowed amount. This limit helps you plan for health care costs. This limit never includes your premium, balance-billed charges or health care your plan doesn't cover. Some plans don't count all of your copayments, deductibles, coinsurance payments, out-of-network payments, or other expenses toward this limit.
<b>Physician services</b>	Health care services a licensed medical physician, including an M.D. (Medical Doctor) or D.O. (Doctor of Osteopathic Medicine), provides or coordinates.
<b>Plan</b>	Health coverage issued to you directly (individual plan) or through an employer, union or other group sponsor (employer group plan) that provides coverage for certain health care costs. Also called "health insurance plan," "policy," "health insurance policy," or "health insurance."

<b>Preauthorization</b>	A decision by your health insurer or plan that a health care service, treatment plan, prescription drug or durable medical equipment (DME) is medically necessary. Sometimes called “prior authorization,” “prior approval,” or “precertification.” Your health insurance or plan may require preauthorization for certain services before you receive them, except in an emergency. Preauthorization isn’t a promise your health insurance or plan will cover the cost.
<b>Premium</b>	The amount that must be paid for your health insurance or plan. You and/or your employer usually pay it monthly, quarterly, or yearly.
<b>Premium tax credits</b>	Financial help that lowers your taxes to help you and your family pay for private health insurance. You can get this help if you get health insurance through the Marketplace and your income is below a certain level. Advance payments of the tax credit can be used right away to lower your monthly premium costs.
<b>Prescription drug coverage</b>	Coverage under a plan that helps pay for prescription drugs. If the plan’s formulary uses “tiers” (levels), prescription drugs are grouped together by type or cost. The amount you’ll pay in cost sharing will be different for each “tier” of covered prescription drugs.
<b>Prescription drugs</b>	Drugs and medications that by law require a prescription.
<b>Preventive care (Preventive service)</b>	Routine health care, including screenings, check-ups, and patient counseling, to prevent or discover illness, disease, or other health problems.
<b>Primary care physician</b>	A physician, including an M.D. (Medical Doctor) or D.O. (Doctor of Osteopathic Medicine), who provides or coordinates a range of health care services for you.
<b>Primary care provider</b>	A physician, including an M.D. (Medical Doctor) or D.O. (Doctor of Osteopathic Medicine), nurse practitioner, clinical nurse specialist, or physician assistant, as allowed under state law and the terms of the plan, who provides, coordinates, or helps you access a range of health care services.
<b>Provider</b>	An individual or facility that provides health care services. Some examples of a provider include a doctor, nurse, chiropractor, physician assistant, hospital, surgical center, skilled nursing facility, and rehabilitation center. The plan may require the provider to be licensed, certified, or accredited as required by state law.
<b>Reconstructive surgery</b>	Surgery and follow-up treatment needed to correct or improve a part of the body because of birth defects, accidents, injuries, or medical conditions.

<b>Referral</b>	A written order from your primary care provider for you to see a specialist or get certain health care services. In many health maintenance organizations (HMOs), you need to get a referral before you can get health care services from anyone except your primary care provider. If you don't get a referral first, the plan may not pay for the services.
<b>Rehabilitation services</b>	Health care services that help a person keep, get back, or improve skills and functioning for daily living that have been lost or impaired because a person was sick, hurt, or disabled. These services may include physical and occupational therapy, speech-language pathology, and psychiatric rehabilitation services in a variety of inpatient and/or outpatient settings.
<b>Screening</b>	A type of preventive care that includes tests or exams to detect the presence of something, usually performed when you have no symptoms, signs, or prevailing medical history of a disease or condition.
<b>Skilled nursing care</b>	Services performed or supervised by licensed nurses in your home or in a nursing home. Skilled nursing care is not the same as "skilled care services," which are services performed by therapists or technicians (rather than licensed nurses) in your home or in a nursing home.
<b>Specialist</b>	A provider focusing on a specific area of medicine or a group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions.
<b>Specialty drug</b>	A type of prescription drug that, in general, requires special handling or ongoing monitoring and assessment by a health care professional, or is relatively difficult to dispense. Generally, specialty drugs are the most expensive drugs on a formulary.
<b>UCR (Usual, Customary and Reasonable)</b>	The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service. The UCR amount sometimes is used to determine the allowed amount.
<b>Urgent care</b>	Care for an illness, injury, or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.

## Women's Health and Cancer Rights Act (WHCRA) Notice

### Enrollment Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply:

- HP HSA Aggregate \$2,000/20%/\$3,500
- Essentials

If you would like more information on WHCRA benefits, contact your plan administrator:

Kim Pigg  
Benefits Administrator  
(907) 277-6300  
kim@coastalaska.org

### Annual Notice

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Contact your plan administrator for more information.

## Newborns' and Mother's Health Protection Act (NMHPA) Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Medical Loss Ratio (MLR) Rule Notice

The Affordable Care Act requires health insurers in the individual and small group markets to spend at least 80 percent of the premiums they receive on health care services and activities to improve health care

quality (in the large group market of 51+ employees, this amount is 85 percent). This is referred to as the Medical Loss Ratio (MLR) rule or the 80/20 rule. If a health insurer does not spend at least 80 (85 for large groups) percent of the premiums it receives on health care services and activities to improve health care quality, the insurer must rebate the difference.

## Notice of HIPAA Privacy Practices

**This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.**

This notice is intended to inform you of the privacy practices followed by the Alaska Public Broadcasting Health Trust Health Plan and the Plan's legal obligations regarding your protected health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The notice also explains the privacy rights you and your family members have as participants of the Plan. It is effective on 01/01/2025.

The Plan often needs access to your protected health information in order to provide payment for health services and perform plan administrative functions. We want to assure the plan participants covered under the Plan that we comply with federal privacy laws and respect your right to privacy. Alaska Public Broadcasting Health Trust requires all members of our workforce and third parties that are provided access to protected health information to comply with the privacy practices outlined below.

### **Protected Health Information**

Your protected health information is protected by the HIPAA Privacy Rule. Generally, protected health information is information that identifies an individual created or received by a health care provider, health plan or an employer on behalf of a group health plan that relates to physical or mental health conditions, provision of health care, or payment for health care, whether past, present or future.

### **How We May Use Your Protected Health Information**

Under the HIPAA Privacy Rule, we may use or disclose your protected health information for certain purposes without your permission. This section describes the ways we can use and disclose your protected health information.

**Payment.** We use or disclose your protected health information without your written authorization in order to determine eligibility for benefits, seek reimbursement from a third party, or coordinate benefits with another health plan under which you are covered. For example, a health care provider that provided treatment to you will provide us with your health information. We use that information in order to determine whether those services are eligible for payment under our group health plan.

**Health Care Operations.** We use and disclose your protected health information in order to perform plan administration functions such as quality assurance activities, resolution of internal grievances, and evaluating plan performance. For example, we review claims experience in order to understand participant utilization and to make plan design changes that are intended to control health care costs.

**Treatment.** Although the law allows use and disclosure of your protected health information for purposes of treatment, as a health plan we generally do not need to disclose your information for treatment purposes. Your physician or health care provider is required to provide you with an explanation of how they use and share your health information for purposes of treatment, payment, and health care operations.

**As permitted or required by law.** We may also use or disclose your protected health information without your written authorization for other reasons as permitted by law. We are permitted by law to share information, subject to certain requirements, in order to communicate information on health-related benefits or services that may be of interest to you, respond to a court order, or provide information to further public health activities (e.g., preventing the spread of disease) without your written authorization. We are also permitted to share protected health information during a corporate restructuring such as a merger, sale, or acquisition. We will also disclose health information about you when required by law, for example, in order to prevent serious harm to you or others.

**Pursuant to Your Authorization.** When required by law, we will ask for your written authorization before using or disclosing your protected health information. If you choose to sign an authorization to disclose information, you can later revoke that authorization to prevent any future uses or disclosures.

**To Business Associates.** We may enter into contracts with entities known as Business Associates that provide services to or perform functions on behalf of the Plan. We may disclose protected health information to Business Associates once they have agreed in writing to safeguard the protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims. Business Associates are also required by law to protect protected health information.

**To the Plan Sponsor.** We may disclose protected health information to certain employees of Alaska Public Broadcasting Health Trust for the purpose of administering the Plan. These employees will use or disclose the protected health information only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized additional disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

## Your Rights

**Right to Inspect and Copy.** In most cases, you have the right to inspect and copy the protected health information we maintain about you. If you request copies, we will charge you a reasonable fee to cover the costs of copying, mailing, or other expenses associated with your request. Your request to inspect or review your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to inspect and copy your health information. To the extent your information is held in an electronic health record, you may be able to receive the information in an electronic format.

**Right to Amend.** If you believe that information within your records is incorrect or if important information is missing, you have the right to request that we correct the existing information or add the missing information. Your request to amend your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to amend your health information. If we deny your request, you may file a statement of disagreement with us for inclusion in any future disclosures of the disputed information.

**Right to an Accounting of Disclosures.** You have the right to receive an accounting of certain disclosures of your protected health information. The accounting will not include disclosures that were made (1) for purposes of treatment, payment or health care operations; (2) to you; (3) pursuant to your authorization; (4) to your friends or family in your presence or because of an emergency; (5) for national security purposes; or (6) incidental to otherwise permissible disclosures.

Your request for an accounting must be submitted in writing to the person listed below. You may request

an accounting of disclosures made within the last six years. You may request one accounting free of charge within a 12-month period.

**Right to Request Restrictions.** You have the right to request that we not use or disclose information for treatment, payment, or other administrative purposes except when specifically authorized by you, when required by law, or in emergency circumstances. You also have the right to request that we limit the protected health information that we disclose to someone involved in your care or the payment for your care, such as a family member or friend.

Your request for restrictions must be submitted in writing to the person listed below. We will consider your request, but in most cases are not legally obligated to agree to those restrictions. However, we will comply with any restriction request if the disclosure is to a health plan for purposes of payment or health care operations (not for treatment) and the protected health information pertains solely to a health care item or service that has been paid for out-of-pocket and in full.

**Right to Request Confidential Communications.** You have the right to receive confidential communications containing your health information. Your request for restrictions must be submitted in writing to the person listed below. We are required to accommodate reasonable requests. For example, you may ask that we contact you at your place of employment or send communications regarding treatment to an alternate address.

**Right to be Notified of a Breach.** You have the right to be notified in the event that we (or one of our Business Associates) discover a breach of your unsecured protected health information. Notice of any such breach will be made in accordance with federal requirements.

**Right to Receive a Paper Copy of this Notice.** If you have agreed to accept this notice electronically, you also have a right to obtain a paper copy of this notice from us upon request. To obtain a paper copy of this notice, please contact the person listed below.

**Our Legal Responsibilities.** We are required by law to protect the privacy of your protected health information, provide you with certain rights with respect to your protected health information, provide you with this notice about our privacy practices, and follow the information practices that are described in this notice.

We may change our policies at any time. In the event that we make a significant change in our policies, we will provide you with a revised copy of this notice. You can also request a copy of our notice at any time. For more information about our privacy practices, contact the person listed below.

## Complaints

If you are concerned that we have violated your privacy rights, or you disagree with a decision we made about access to your records, you may contact the person listed above. You also may send a written complaint to the U.S. Department of Health and Human Services — Office of Civil Rights. The person

listed above can provide you with the appropriate address upon request or you may visit [www.hhs.gov/ocr](http://www.hhs.gov/ocr) for further information. You will not be penalized or retaliated against for filing a complaint with the Office of Civil Rights or with us.

## Notice of HIPAA Special Enrollment Rights

This notice is being provided to ensure that you understand your right to apply for group health insurance coverage. You should read this notice even if you plan to waive coverage at this time.

### **Loss of Other Coverage**

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

### **Medicaid or CHIP**

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

To request special enrollment or obtain more information, please contact:

## Health Insurance Marketplace Coverage Options and Your Health Coverage

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace (“Marketplace”). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

### **What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options in your geographic area.

### **Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn’t meet certain minimum value standards (discussed below). The savings that you’re eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

### **Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.02% (2025, indexed annually) of your annual household income, or if the coverage through your employment does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee’s cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.02% (2025, indexed annually) of the employee’s household income.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

### **When Can I Enroll in Health Insurance Coverage through the Marketplace?**

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services **is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by Healthcare.gov and either submit a new application or update an existing application on Healthcare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit Healthcare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

### **What about Alternatives to Marketplace Health Insurance Coverage?**

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit [www.healthcare.gov/medicaid-chip/getting-medicaid-chip/](http://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/) for more details.

# Important Notice about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Alaska Public Broadcasting Health Trust and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan.

If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Alaska Public Broadcasting Health Trust has determined that the prescription drug coverage offered by the Alaska Public Broadcasting Health Trust Health & Welfare Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Alaska Public Broadcasting Health Trust coverage may be affected. If you do decide to join a Medicare drug plan and drop your current Alaska Public Broadcasting Health Trust coverage, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current Alaska Public Broadcasting Health Trust coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Alaska Public Broadcasting Health Trust changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year you are eligible from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call **1-800-MEDICARE** (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at **1-800-772-1213** (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice.** *If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).*

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

---

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –**

# Model General Notice of COBRA Continuation Coverage Rights

## Continuation Coverage Rights Under COBRA

### Introduction

You're getting this notice in case, once enrolled, your coverage under a group health plan (the Plan) ends due to a qualifying life event (described later). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

### What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage may be required to pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

### **When is COBRA continuation coverage available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to:

Kim Pigg  
Benefits Administrator  
(907) 277-6300  
kim@coastalaska.org

### **How is COBRA continuation coverage provided?**

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

#### **Disability extension of 18-month period of COBRA continuation coverage**

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability

would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. You must provide this notice to:

Kim Pigg  
Benefits Administrator  
(907) 277-6300  
kim@coastalaska.org

### **Second qualifying event extension of 18-month period of continuation coverage**

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

### **Are there other coverage options besides COBRA Continuation Coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

### **Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?**

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period\* to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

\*For more information on the 8-month special enrollment period visit:

[www.medicare.gov/basics/get-started-with-medicare/sign-up/when-does-medicare-coverage-start](http://www.medicare.gov/basics/get-started-with-medicare/sign-up/when-does-medicare-coverage-start)

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

For more information visit [www.medicare.gov/medicare-and-you](http://www.medicare.gov/medicare-and-you).

### **If you have questions**

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit [www.healthcare.gov](http://www.healthcare.gov).

### **Keep your Plan informed of address changes**

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

### **Plan contact information**

## Your Rights and Protections Against Surprise Medical Bills

**When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.**

### **What is "balance billing" (sometimes called "surprise billing")?**

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, or deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

### **You're protected from balance billing for:**

#### **Emergency Services**

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

As of August 2022, the following 18 states had enacted comprehensive Balance Billing Protections: California, Colorado, Connecticut, Florida, Georgia, Illinois, Maine, Maryland, Michigan, New Hampshire, New Jersey, New Mexico, New York, Ohio, Oregon Texas, Virginia, Washington.

As of August 2022, the following 15 states had enacted limited Balance-Billing Protections: Arizona, Delaware, Indiana, Iowa, Massachusetts, Minnesota, Mississippi, Missouri, Nebraska, Nevada, North Carolina, Pennsylvania, Rhode Island, Vermont, West Virginia.

Generally, those state passed protections apply to fully insured medical plans governed by the specific state and not self-funded medical plans. Check the state insurance commissioner website for details on specific state laws.

If your state is not listed, check your state commissioner's website as states may adopt a surprising billing mandate at any time.

#### **Certain Services at an In-Network Hospital or Ambulatory Surgical Center**

When you get services from an in-network hospital or ambulatory surgical center, certain providers there

may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

**You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.**

**When balance billing isn't allowed, you also have the following protections:**

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
  - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

**If you think you've been wrongly billed**, you may contact the US Dept. of Health & Human Services at 1-877-696-6775 or your State Insurance Commissioner.

### **PREMERA PRIVACY POLICY**

We may collect, use, or disclose personal information about you, such as health information, your address, telephone number or Social Security number. We may exchange this information with healthcare providers, insurance companies, or other sources to conduct our routine business operations. Examples are deciding if you qualify for coverage; paying claims; coordinating benefits with other healthcare plans; or conducting care management, case management, or quality reviews. We may also collect, use or release your personal information as required or permitted by law.

To safeguard your privacy and make sure we keep your information remains confidential, we train all employees on our written confidentiality policy and procedures. If a disclosure of your personal information is not related to a routine business function, we will remove anything that could be used to easily identify you, unless we have your prior approval to release such information.

You have the right to ask to look at or change your records retained by us. To view or print copies of our detailed Privacy Notice and other forms, please visit our web site at [premera.com](http://premera.com). To have forms mailed to you, please call the number below.

### **SPECIAL ENROLLMENT RIGHTS**

If you are declining enrollment for yourself or dependents because of other health care coverage, you may in the future enroll yourself or your dependents in this plan prior to the next open enrollment period. To do this, you must have involuntarily lost your other coverage and we must receive your enrollment application within 60 days after your other coverage ended (60 days if the prior coverage was through Medicaid or CHIP). Additionally, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and dependents, provided we receive your completed enrollment application within 60 days after the marriage, birth, adoption, or placement for adoption, unless a different time limit has been specified in your benefit booklet.

### **\*REQUIRED SOCIAL SECURITY NUMBER AND CONTACT EMAIL ADDRESS**

Under the Affordable Care Act (ACA), all health plans must provide an IRS Form 1095-B to fully insured members starting in 2016. You'll need Form 1095-B to help file your taxes, much like your W-2.

**If you have any questions about the information included in this notice, please call us at 1-800-508-4722.**

## ALASKA PUBLIC BROADCASTING HEALTH TRUST

TO: Participant in Alaska Public Broadcasting Health Trust Plan

FROM: Kim Pigg, Administrative Manager

DATE: November 8, 2024

RE: Employee Benefit Plan Summary Plan Description and Employee Notifications

The Summary Plan Description is an important document that tells participants what the plan provides and how it operates. The employee notifications provide additional important information that affects your health plan. Please review these important documents.

You can access these documents online at: <http://030c78c.netsolhost.com/healthtrust.html>

At the above listed website, you will find the following documents for the Alaska Public Broadcasting Health Trust Benefit plan documents and notification:

- SPD Wrap Document
- Medical Plan Booklet
- Dental Booklet
- Life Certificate – Class 1
- Life Certificate – Class 2
- Life Certificate – Class 3
- Employee Notification Document

Additional documents may be added to this website in the future. Future years Summary Plan Description, plan documents, and notifications will be added to the above website by the 15<sup>th</sup> of April each year. You will only be required to sign receipt of these documents in upcoming years only if the plan changes and/or there are significant modifications to the plan components or notifications.

Another useful resource is the APBHT Landing Page which is chock full of information, such as your FlippingBook Guide, which includes shortcuts taking folks to a specific benefit section, help for navigating the Landing Page, as well as the ability to send direct questions. The Landing Page and Guide can be found at the following link: <https://online.flippingbook.com/view/1029022689/>

If requested, a hard copy of any of these documents can be provided to you at no charge. This guide and other information provided on website is not intended to be a complete description of the insurance coverage offered, nor is it a binding contract. Controlling provisions are provided in each benefit plan policy. Should there be a difference between this guide/other reference materials and the office plan documents, the official plan documents will govern. More information about specific terms and conditions of each plan is included in the Summary Plan Description (SPD) and Summary of Benefits and Coverage (SBC).

If you have any questions about these documents, please contact Alaska Public Broadcasting Health Trust Plan Administrator Kim Pigg, at [kim@coastalaska.org](mailto:kim@coastalaska.org)
